## NEWSLETTER

JANUARY 2026

### Teachers Report

**Happy New Year! We hope the time with your family over Christmas break was filled with lots of joyous memories.**

We look forward to seeing what 2026 brings. We will be focusing on setting up our environment with hands-on activities that explore the unique nature weather, snow, animals, and the different areas that the children show interest in.

Sometimes it takes a few days for children to get back into their preschool routines after a couple weeks away. This is quite common and certainly nothing to be concerned about. Keeping your drop off routine brief and positive will help your children get back into the swing of things in no time.

This also allows us to focus on the children and help them to settle into their day and maintain routines. The children will work on their self-help skills such as: dressing in winter wear and zipping up their own coats.

### Special Days

- January 5-9<sup>th</sup> **Pajamas**
- January 28,29 & 30  
**Breakfast as you go**

**I/We are seeking, asking many questions, we are wondering and curious. exploring the world** with all or some of his or her senses: touch, smell, taste, sight, and hearing, and whole-body exploration. Each child seeking and wondering about all kinds of ways that the world is familiar, different, changing, and challenging is a **mighty learner. **Mat Man** came to life as the children are drawing him and dressing him in Christmas colors and dressing him as Santa.

# SPECIAL THANKS

Thank you to Brooks Dental and Dr. Chaz Shokar and Joy Bilog for the toothbrushes passed out to some of the classes.

Thank you to our families for the donations of art supplies and winter clothing.

Thank you to everyone for your thoughtfulness of cards and gifts at Christmas.

Thank you to our January parent helpers, all your help is so sincerely appreciated

# Character Education

We are learning about "FAIRNESS"

Your preschooler will meet Fran the fair frog and be encouraged through stories, songs and activities to:

- Know and follow the rules
- Share with friends and family
- Listen to friends and family
- Do not blame friends and family

Young children are very impressionable, and parents are the most important teachers children ever have. One way you can help your child learn to be fair is by example. If your child sees you following rules, sharing with your family, listening to others, and not placing blame, he or she will be likely to follow your example.

In honor of Family Literacy Day in January each year. We like to introduce a variety of books with rhyming words Dr. Suess, Fairy Tales, Nursery Rhymes etc. the children have fun learning and acting out their favorite stories and Nursery Rhymes. Rhyming is a concept that children need to learn to develop in the early stages of reading. Remember to take time to discuss your child's day at Preschool and share in their learning.

## **FAMILY LITERACY TIPS**

1. Introduce children to books early. Infants will be delighted by the sounds, shapes, and colors.
2. Read together every day. Set aside a time before naps, after meals, or before bedtime.
3. Set the stage. Turn off the TV and cuddle up somewhere cozy.
4. Get your child involved. Ask questions about the book as you go along.
5. Add drama. Adopt different voices for different characters.
6. Read whenever you can.
7. Keep books by their beds or in the car for long trips.

# Special Days

**Jan. 5–9** children and staff may wear their pajamas all week, this is probably one of our favorite relaxed **weeks of the year.**

**Jan. 28, 29 and 30** we will be honoring our parents and other volunteers with a THANK YOU breakfast as you go. Please watch for more details

**DON'T FORGET**

**All volunteers MUST provide a criminal record check before volunteering in our preschool.**

**Please clearly label your child's belongings (lunch bag, backpack, shoes, etc.) to avoid any confusion or lost items.**

**Parents, please let teachers know of any changes in phone numbers, addresses or medical concerns. We need to keep information current.**

**During bad weather conditions,** our school will be closed when temperatures drop to -35 degrees (excluding wind chill). Parents, please listen to our local Radio Station for conformation. FM 101.1 or Q105.7

**Doors at the preschool** open at 8:15 a.m./1:15 p.m. and pick up time is 12:00 p.m./3:45 p.m. doors will remain locked until then If you need to pick up your child earlier, please ring the doorbell.

**Parents** help yourself to the information & pamphlets available in the front entrance of our preschool **PARENTS CORNER.** We have lots of current community resources and information about nutrition, exercise & well-being.

**REMEMBER!**

## **POTENTIAL HEALTH RISK**

Is when a staff member knows or has reason to believe that a child is showing signs or symptoms of vomiting, having a fever of 38.3C, diarrhea or a new or unexplained rash or cough. If a child requires greater care and attention than can be provided without compromising the care of the other children in the program or having or displaying any other illness or symptom the staff member knows or believes may indicate that the child poses a health risk to persons on the program premises. The child's parent will be contacted to remove the child from the school immediately. The child may return to preschool if parent provides written notice from a physician or when a parent can report to the staff that the child has been symptom-free for a period of 24 hours and no longer poses a health risk to persons at the preschool. This policy is in place to help keep our students and staff as healthy as possible.

Thank you for helping us keep our preschool a happy and healthy place!
